

# FEBRUARY NEWS 2025

## School Information

### Reminders

Please remember to send in your information for the ski trip for students in Grades 3-6! For both the ski trip and Allstars trip, permissions will be available online shortly, watch for these in your child's PowerSchool.

### Parent Meetings

We will have a parent council meeting on February 17th at 4:00 PM in the Art/Science room. ALL parents are welcome and encouraged to attend.

### Imagination Station

In February we will be doing a paint night for our Imagination Station. A sign up form will be sent out in the middle of the month for you to sign up your child/ren if they wish to participate - all materials will be supplied by the school. The location will be at the West Pine Lodge.

### Equine Empowerment

This program is something we are trialing this year as we have a grant from FCSS to cover the costs. EQE classes are designed to help students build social and emotional strategies through working with the horses as well as learning through the classroom components. 8 students (in Grades 4-6) were selected to participate in this program for 8 weeks. If this trial is successful we would like to consider opening it up for all students in the future.

### Progress Reports

We will send out a School Messenger note to inform you that there will be a formal progress report available for your viewing/printing on February 5th. Stay tuned for a call about Parent Teacher interviews occurring on February 11th and 12th!

## Thank you!

We would like to extend a special THANK YOU to all of our volunteers for our upcoming hot lunches during the month of February. Thank you: Sam Parry, Jordan Sebree and ECO Cafe for making lunches and volunteering your time. Staff and Students thoroughly enjoy these!
