Welcome Back!

Welcome to the 2024-2025 school year! My name is Mrs. Zawartka and I am the new incoming principal. I am extremely excited to be working in this school, as many of you already know, I am a Winfield alumni and care deeply for this community. I hope you were able to enjoy your summer and are feeling ready to take on another year full of laughter, wonder and shared accomplishments. I am looking forward to being your principal as we embark on another year full of adventures together!

Please try to attend our first meeting scheduled on Monday September 23rd at 4:00 p.m. in the Art/Science room in the school.

Facility Access

Doors to the school will be locked until 8:15 in the morning. If you are dropping your child off in the mornings, please have your child remain in the vehicle until that time. Once our students arrive off the buses in the morning, we will lock all doors to the school. Parents and visitors are always welcome, so please just call the office to let us know you need the door opened, or ring the doorbell to the main doors and someone from the office will gladly come and open the door for you. If you drop your child off late, please do not driveaway until you have observed them enter the building.

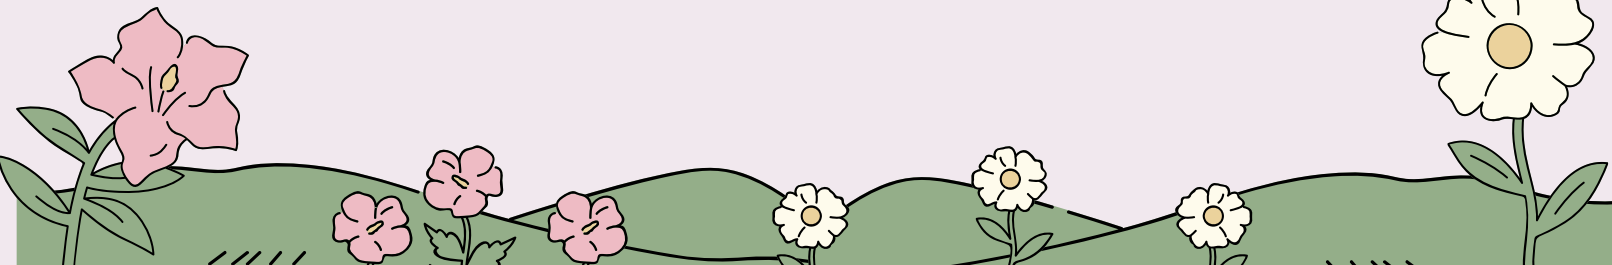

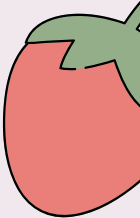

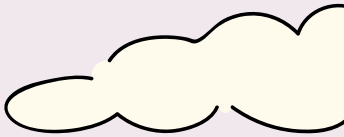

New News

With the rising cost of milk we have had to change our school prices to \$1.00.

Thank you!

Winfield School is eagerly looking forward to enriching your child's life. Thank you for your ongoing support of your child and our school community. I ask that you continue to be involved and active in your child's education. Remember that we can all make a difference if we work together! I know we will make this school year one of growth and achievement for all children.
